A model which describes the progress of the gospel among the peoples of the world by considering:

1. The extent to which a people group is [Evangelical](#).
2. Accessibility to the gospel.
3. Church planting activity, whether localized or widespread, within the past 2 years.

The model establishes the criteria for the subset of the world's peoples who should be identified as "[Unreached People Groups](#)".

Global Status of Evangelical Christianity - Definition of Terms

Unreached People Group

A people group in which less than 2% of the population are Evangelical Christians.

Engagement

A people group is engaged when a church planting strategy, consistent with Evangelical faith and practice, is under implementation. (In this respect, a people group is not engaged when it has been merely adopted, is the object of focused prayer, or is part of an advocacy strategy.)

Evangelical

An Evangelical Christian is a person who believes that Jesus Christ is the sole source of salvation through faith in Him, has personal faith and conversion with regeneration by the Holy Spirit, recognizes the inspired word of God as the only basis for faith and Christian living, and is committed to Biblical preaching and evangelism that brings others to faith in Jesus Christ.

Therefore, an Evangelical church is a church that is characterized by these same beliefs and principles. Some churches that are not considered Evangelical in faith and practice may contain members who are Evangelical.
